A MESSAGE FROM THE PRESIDENT

DEAR PSCT MEMBERS:

I hope that you all had wonderful holidays and wish you great success in all that you do this year. While this is the first of the calendar year, this is the middle of the PSCT fiscal year. We are looking for suggestions and volunteers for the May spouses' social outing. The hardest part is choosing a venue; the rest we can help you with.

Gina Fleitman, Director of Marketing, Master Painters Institute will give a presentation describing what the institute is and how it can affect your business.

TIMOTHY KNELL

PSCT President 2011-2012

SPEAKER'S BIO

Gina Fleitman worked as a college intern for SSPC (The Society for Protective Coatings) while it was still on the campus of Carnegie-Mellon University. Her senior year she helped to start up Technology Publishing Company and subsequently all of TPC's products through 2008, including the Journal of Protective Coatings & Linings, PaintSquare, the BidTracker painting project leads service, and the Journal of Architectural Coatings, now published as D&D (Design and Durability). She joined MPI in 2009 where she is the Director of Marketing, and also serves as the staff technical writer, writing MPI's on-line training courses and other communication pieces.

2517 Jane St. Pittsburgh, PA 15203

Office: 412-431-8333 / gfeitman@mpi.net

Headquarters: Tel: 1-888-674-8937 – Fax: 1-604-298-7571

ABSTRACT

Since 2001, paint manufacturers have encountered references to Master Painter Institute (MPI) paint performance standards and paint systems in specifications for architectural commercial painting projects. This presentation will explain MPI paint standards and systems and how they are used to select and procure paints for the protection and beautification of commercial buildings, as well as MPI's "Starting Point" program for paint raw materials suppliers. Background on MPI will also be provided, along with instructions for using MPI manuals to choose coating systems for building environments.

2011-12 MEETING SCHEDULE

Please mark your calendars for the great meetings ahead of us.

February 13, 2012

March 12, 2012

April 9, 2012

May Outing: (TBA)

PAINT POT:

Dwight Weldon would have won the paint pot if he was present at the December meeting. The pot rolls to \$50 for the January meeting.

MEMBERSHIP RENEWAL

Terry Scheftic is our membership chair. You can contact him to renew your membership at tscheftic@ppg.com or at 724-274-3337. You will also be getting paper copies of membership renewal form for those who have not renewed their membership yet. If you renewed online please confirm your status with Terry.

INTEL SCIENCE FAIR

The Intel International Science and Engineering Fair (Intel ISEF), the world's largest international pre-college science competition, is coming to Pittsburgh! The premier global science competition for students in grades 9–12 provides a forum for more than 1,600 high school students from 65 countries, regions, and territories to display their independent research. Your help is needed to serve as a judge or to provide general volunteer help. Judging will begin the evening of Tuesday May 15 and will include training, dinner, and an opportunity to preview the projects. Project reviews, interviews with the students, and causing to identify the winners occur on Wednesday, May 16. Qualified judges hold a degree with six or more years of professional experience or a Ph.D., M.D., or equivalent and have the desire to encourage our students. There are also many opportunities for general volunteers and in particular, interpreters. Parking, refreshments, and enjoyable meals are provided.

To register to judge, please visit:

<https://apps.societyforscience.org/isef/judging/judapply.asp>

Questions about judging can be sent to:

Judging@societyforscience.org

More information about the fair and all of the opportunities to volunteer, please visit:
