A MESSAGE FROM THE PRESIDENT

I hope that everyone had a great summer and ready for the 2010-2011 PSCT calendar year. Since the economy is looking much better than last year, the mood will hopefully be much better than last year as well.

Please plan on attending our Golf Outing on September 16 and have fun, and network with your fellow coating society members before the nice weather leaves us with rain and snow.

Last year we had cut the number of meetings down to five because of the bad economy. Since economy is starting to pick up, we decided to increase the number of meetings to seven. Please mark your calendars for the dates that are in the newsletter.

We have a great opening in terms of speakers. Please come and enjoy the talk by Dr. Kevin Olson from PPG Industries. This is a great opportunity to meet and chat with someone who has a sea of knowledge in automotive OEM.

If you have not renewed your membership; please fill out the attached form and send it to Terry Sheftic.

Abdullah Ekin

PSCT President 2010-2011
